Subject: Portland supports a balanced river cleanup

The living-wage jobs in our harbor are critical to our economy. Please keep that in mind.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Thanks for all you're doing to protect our river. It means a lot to people who live, work and play there.

Sincerely,
